HINSDALE, NH – BRATTLEBORO, VT BRIDGE REHABILITATION
NIGHT WORK SET TO BEGIN JULY 7

The New Hampshire Department of Transportation announces bridge deck rehabilitation work is tentatively scheduled to begin the week of July 7, 2003 on the two bridges crossing the Connecticut River between Hinsdale, NH and Brattleboro, VT.

This bridge rehabilitation work will take place Sunday through Thursday nights from 10:30 PM to 6:30 AM for approximately five weeks. The bridges will be closed to traffic and pedestrians during these hours.

Neil Daniels Inc. of Ascutney, Vermont is the prime contractor for the \$618,000 project, which involves replacing metal bridge decks with pre-cast concrete.
